

ABOUT US

Quality Caregivers Health Care, Inc.

is a local, privately owned certified home health agency that is committed to providing you or your loved one with the quality home health care they deserve.

Our mission is to provide professional and paraprofessional services to clients in their homes assisting them to achieve the highest level of potential in their day to day self-care activities.

Our commitment is to promote the overall well being of the patient and provide high quality, multidisciplinary care.

Services are provided without discrimination based on race, religion, gender, sexual orientation, national origin, disability, veteran status in admission or access to treatment or employment in its program.

What is Home Health?

Home Health is a service that allows patients to receive quality healthcare in the privacy and comfort of their own home. All health care services are provided under the direction and supervision of the patient's primary care physician.

Criteria For Services

The patient has a physical condition that requires the attention of a nurse or therapist.

Traveling to the doctor requires a taxing effort on the patient, must be homebound.

The services must be determined reasonable and necessary according to the patient's physician.

Patients recently hospitalized for surgery/illness.

Patients with new or exacerbated medical diagnosis.

Patients with new or changed medications, and decrease in functional mobility status.
